FROM : ALA/AF/S

SUBJECT : Memorandum for the Record Regarding Briefing of Sen. Edward M. Kennedy, Greg Craig, Legislative Assistant to Sen. Kennedy and Sen. Kennedy's press secretary (name unknown) on 11 December, 1984.

25X1

1 [redacted] Office of African and Latin American Analysis briefed Senator Edward Kennedy and senior staffers on developments in southern Africa.

25X1

2. Sen. Kennedy asked about internal developments in Mozambique and the prospects for negotiations between Maputo, the insurgents, and the South African Government. The discussion then turned to the Angolan-South African negotiations and internal Angolan affairs. Sen. Kennedy and his staffers were also particularly interested in the causes of recent black unrest in South Africa, the likelihood that a majority-ruled South Africa might cut strategic mineral exports to the West, and South Africa's long-term economic prospects.
